## THE PRESIDENT'S PAGE

FACT 5 Regional in Topeka was a thrilling finale to this year's convention activities. The quality of productions, adjudication, and planning was superior. The community theatres are doing work any theatre would take pride in. It was an enriching experience for all of us.

I have some partial results of the theatre survey started in Wichita. Perhaps a summary of it will give you an idea of how important this documentation could be for all of us. A community theatre, a high school theatre, a university theatre, and a professional theatre are reflected in the survey.

- There were 29 productions in Wichita in 1980 from these four theatres.
- They employed 163 full-time and part-time paid staff, with total salaries of \$476,080.
- 610 volunteers gave their time for a total of 79,931 volunteer hours.
- Total production hours, including the volunteer hours, amounted to 158,831.
- There were 220 performances, with a total audience of 139,975 people.
- \$534,610 was received in box office receipts and total production costs were \$460,650.
- All four theatres gave reduced rates to students (some free) and to senior citizens.
- If the four theatres had had to pay volunteers even minimum wage of \$4.00, they would have had additional costs of \$319,724.
- Based on business formulas that the Congressional Arts Caucus released, the actual cash flow generated in the community by these four theatres alone was \$5,885,360!

In light of these data, it seems almost an understatement to say that theatre is an important, integral part of life in Wichita and throughout Kansas.

I hope now that all of you will keep track of your theatre's resource records --the results can be of tremendous value to all of us in demonstrating the "worth" of theatre in Kansas.

And now comes summer. While it is true that any time is theatre time in Kansas, that seems to be especially true in summer. In every corner of our state, theatres are flourishing. If your taste is for children's drama, comedy, musicals or thought-provoking plays, you'll find it in Kansas in the summer.

Hope your summer is wonderful!

--Joyce Cavarozzi, President

REGION 5 FACT REPORT

Five outstanding productions were the highlight of the Region 5 Festival of American Community Theatre held May 8-10 in Topeka at the Washburn University Theatre. Participating in the event were: Omaha Center Stage - FOR COLORED GIRLS WHO HAVE CONSIDERED SUICIDE/when the rainbow is enuf (representing Nebraska); Topeka Civic Theatre - Jacques Brel Is Alive and Well and Living in Paris (representing Kansas); Minnetonka Theatre - The Public Eye (representing Minnesota); Iowa City Community Theatre - Getting Out (representing Iowa); and Act 2, Aberdeen - You Know I Can't Hear You When the Water's Running (representing South Dakota). Two other states in Region 5, Missouri and North Dakota, were unable to participate this year. Judges Reuben Silver, Jim Cavanaugh, and Bob Telford were unanimous in their praise of the quality of the shows in our Regional Festival. They gave special commendation to the following: Margaret Pierson Bryant for her work as the Lady in Purple in FOR COLORED GIRLS; Paul Doepke for his work as Julian in The Public Eye; and to the orchestra for Jacques Brel.

The winner of the Region 5 Festival, who will advance to the National FACT Festival in Kalamazoo June 12-14 is Minnetonka's production of The Public Eye. Runner-up is Omaha's FOR COLORED GIRLS. Congratulations to them and to all the participants for a wonderful weekend of theatre!

## THANKS, NADINE

All of us in AKT would like to express our deep appreciation for the leadership provided for the past several years by Nadine Charlson to the Secondary School Theatre Division of AKT. Under Nadine's dedicated chairing of that Division, high school memberships in AKT have grown enormously. Nadine was responsible for integrating the Thespian activities with the AKT annual Convention and has inspired us all with her energy and commitment to AKT. She retired from the Board in March and has been succeeded by Lois Griffing.

AKT would like to express appreciation also to those suppliers who support AKT by exhibiting their products at our Convention: Theatrical Services, Inc., SECT, and Mercer-Zimmerman. We thank them also for their "Suppliers' Breakfast" (along with Ben Nye) at the 1981 Convention in Salina.

\*\*\*\*\*

## FESTIVAL OF NEW PLAYS

The Hutchinson Repertory Company announces its Festival of New Plays will be held in Hutchinson at the Dillon Outdoor Recreation Center June 26, 27, and 28. Guest artists and workshop leaders will include: Bob Patrick, playwright; Shirley Knight, TV actress; Joel Climenhaga and Norman Fedder, professors of theatre at Kansas State University.

Cost of the Festival is \$25. This includes admission to the three productions and to the workshops. The productions will be discussed after performance by Bob Patrick, Shirley Knight, Joel Climenhaga, and Andy Tsubaki.

Greetings! I hope you have all had a successful school year, full of memorable productions. As we move into the summer months, many of us look forward to summer theatre work in Kansas and around the country. There are several excellent established summer theatre programs for high school students and instructors, as well as some new programs this year. Some of these are:

--Music Theatre of Wichita: MTW has both a student apprentice program for Grades 9-12 and an adult-instructor apprentice/college credit program. Apprentices work closely with the professional artistic staff, attend seminars conducted by the artists, and benefit from close association with the outstanding artistic staff. Tuition is free for high school students; tuition varies for college and graduate students. MTW will perform five mainstage musicals (see schedule page 3) and two children's shows: Sleeping Beauty and Reynard the Fox. Contact Nadine Charlson, Music Theatre of Wichita, 225 W. Douglas, Suite 201, Wichita, KS 67202.

--Wichita State University: Now in its 19th season, this university program offers workshops, performances, and backstage practical experience for junior and senior high students who work on 6 mainstage shows plus workshop performances.

--Marple Theatre: A new program added this year to this cabaret/dinner theatre. Students in grades 9-12 will build and perform a production of Man of La Mancha with adult performers and instructors. Classes will include mime, dance, and acting. Contact Lambriny Hedges, Marple Theatre, Wichita, KS.

--Teen Theatre: A new venture sponsored by Kapaun-Mt. Carmel High School in Wichita. As conceived by director Don Clarke, students will produce, build, and perform in two shows designed and directed by graduate students and professionals. Contact Don Clarke at KMC in Wichita for further information.

In other news, two Wichita high school Thespian Troupes travelled to the Big Apple over Easter break to view the latest offerings on Broadway and take in the sights. Wichita Southeast, under the direction of Tom Frye and Wichita Northwest under Lois Griffing, spent 7 and 10 days respectively in NYC with a total of 33 students. Shows viewed included 42nd Street, Evita, Pirates of Penzance, Children of a Lesser God, and Elephant Man.

If you have any suggestions, news, play dates, or need help, please feel free to contact me at the following address: Lois L. Griffing, AKT Sec. School Representative, 934 N. Broadway, Wichita, KS 67214. Have a wonderful summer!

--Lois Griffing
